

Appendix L: Testimonial Submission

The Potomac Conservancy wants to hear about your *Growing Native* experience! Share your or your group's experience with others across the region by telling us what you thought.

Consider telling us your thoughts about the following:

- What did *Growing Native* mean to you and/or your family and how did it affect you?
- If you were a site leader, what impressions did you see *Growing Native* have on the volunteers who participated at your collection?
- If you are an educator, how did taking part in *Growing Native* affect your students and how was it a helpful tool for your curricula?

Please encourage volunteers—including children—who participated in your collection to submit their own testimonials.

Please provide us with complete information below, and include your testimonial on the back of this page or in a separate document.
